

Watch the Pop'n'Olly video *Privilege Explained for Kids* at [youtube.com/popnolly](https://www.youtube.com/popnolly) then complete the following activity:

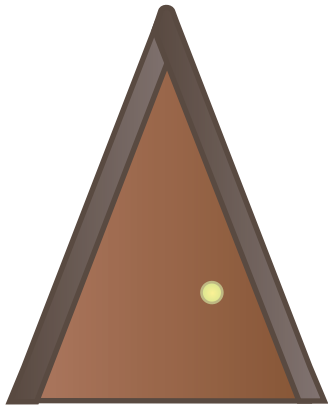

In a world where triangles are in charge, other shapes might have a difficult time fitting in.

Look at the items below.

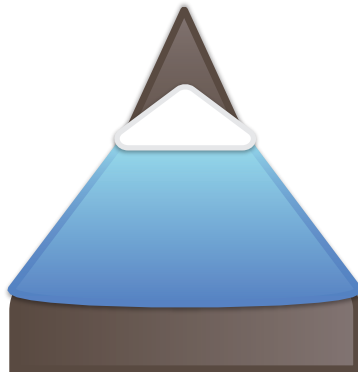

- Can you redesign them so that they work for all shapes?
- Will some items need multiple versions?

You might want to cut out the shape character's in order to test out your new designs.

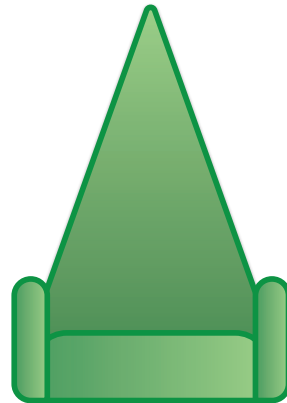

Have a think about how our world might be easier or harder for different people because of their identity.

Door

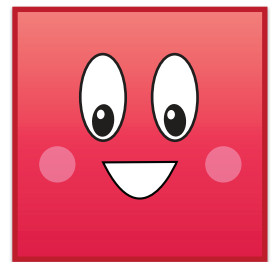

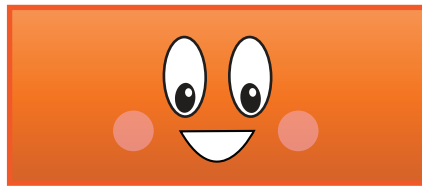

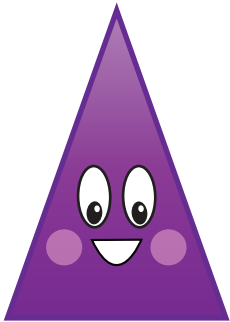

Bed

Chair

Clothes
